

## **Courses with Sustainability Emphasis at CU Boulder.**

CVEN/ENVS 3434: Introduction to Applied Ecology  
CVEN 4700/5700: Sustainability and the Built Environment (3)  
CVEN 4838: Sustainable Engineering Business Strategies  
CVEN 4838/5838: Special Topics: Natural Capitalism for Engineers  
CVEN 5050: Advanced Solar Design (3)  
CVEN 5565: Life Cycle Engineering of Civil Infrastructure Systems  
CVEN 5820: Building Energy Audits (3)  
CVEN 5830: Special Topics: Renewable Energy, Analysis and Assessment  
CVEN 5830: Special Topics: Energy and Environmental Policy  
CVEN 5830: Special Topics: Sustainable Building Design (3)  
CVEN 5830-002 and AREN 4830: Special Topics: Energy Technology and Policy (3)  
CVEN 5834 Environmental and public health for developing communities  
AREN 3130-020: Building Energy Laboratory (3)  
GEEN 3300-001: Sustainability and Ethics (3)  
MCEN 1208: Sustainable Energy

ENVS 3070-001 and PHYS 3070: Energy and the Environment  
ENVS 5100-002: Energy Policy Seminar (1)  
ENVS 5100-003: Field Course in the Energy Industry (2)  
ENVS 5810: Climate, Water Resources and Environmental Sustainability  
ENVS 5820/7820: Renewable Energy Policy (3)

GEOG 5762: Sustainable Development: Theory and Classical Issues  
GEOG 5772: Sustainable Development: Institutions and Policy

SYST 6820: Assessing Sustainable Energy Technologies  
BCOR 4000: Sustainable Energy  
BCOR 4000: Sustainability Ethics for Business  
BCOR 4000: Sustainability Principles and Practice  
BCOR 4000: Sustainability and Business Ethics  
MBAX 6130-800 Sustainable Energy Venturing  
MBAX 6830/BCOR 4000: Sustainable Venturing  
MBAX 6845: Entrepreneurial Strategies for Emerging Markets  
MGMT 4080: Environmental Operations  
BADM 4820-001: Strategies in Sustainable Tourism  
BADM 4820-003 and 004: Sustainability: Business and the Environment  
TOMG3500: Tourism Destination Development  
Maymester: Sustainability, Tourism and the Natural Environment

LAWS 7132-001: Energy Insecurity and Sustainable Energy

JOUR 6211: Communication and International Development
